You haven't a
fucking clue...

Shut up! Look at me. Carlos said
that we need somebody for the
show. Get undressed. Who
cares if you can't dance?

Take off that dress
and get that bra off!!!

Ahh... you got a nice pair of tits.
Now take off those panties!

So what? Who
cares if you are a
filthy pig?

TENDER FLESH

Paula, a young American girl, auditions at the Club
Emmerdeuse. Deep in the seedy Spanish underworld.

I told you,
Gorgona, that I
wasn't a dancer.
Carlos told me...

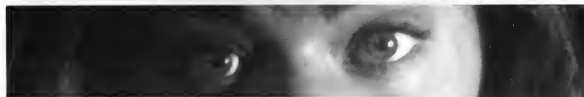

Do I have to...
now? They're a
bit... dirty.

How is she? Is she
any good to you?

You bet. Just look at her. I'll bet
she's got a real tasty pussy.

Ay! Stupid child,
shake your ass!
Use your eyes.
Look at the
audience. Make
each one believe
that you want to
fuck them!

That's all you
have to do to be
my star. Just do
what I ask. Can
you handle that?

Sure.
No problem.
I'm a total
exhibitionist.

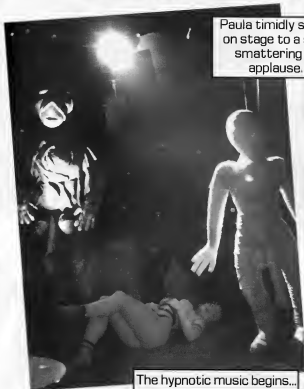

Excellent. We shall serve you
up to the public tonight. You
will become a star.

Later that night...

All the other girls have been mere appetizers. But now for the main course: my new American darling, Paula!

Paula timidly steps on stage to a soft smattering of applause.

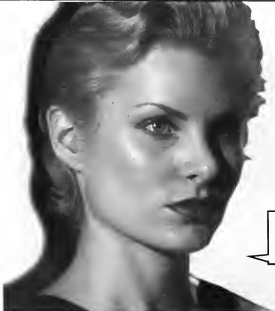

The hypnotic music begins...

The owner's private box is rapt with attention.

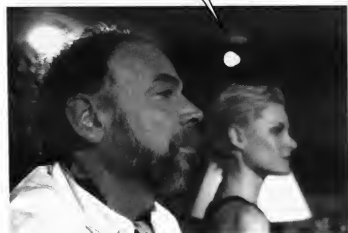

I
want
her.

Wait before you choose, Irina.
Gorgona promised to show us other girls.

Don't argue with me, my dear
husband. I want this one.
This wicked and depraved girl.

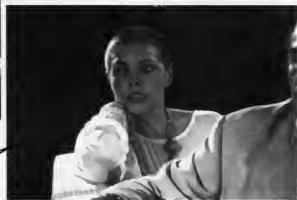

"She will be very expensive.
But she will be worth every
last peseta you spend."

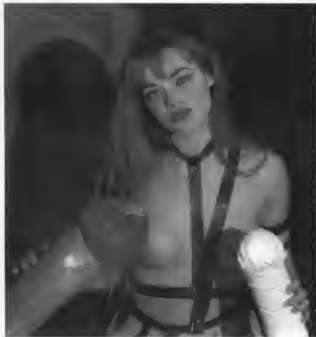

It will be two-hundred thousand American dollars. A real steal.

My wife will grant you the very best price.

My husband will complain about this later, I'm sure. But I don't want to worry about money.

Then I shall close the deal
with her after the show.

Hmmmm.

After the show in Paula's dressing room...

Are you sure she
can't hear us?

Yes, the water in
that shower is
much too loud.

If you are sure that she
is alone then we can
make the deal.

No problem. But I want
\$25,000 for my troubles.

You always get whatever
you want out of me.

But it's never
enough. This time I
want enough to
make me a rich man.

What's going on out there,
you two? Are you stealing my
boyfriend, Gorgona?

She has grown attached to
you, Carlos. You think
you can still handle this?

Don't worry
about me.

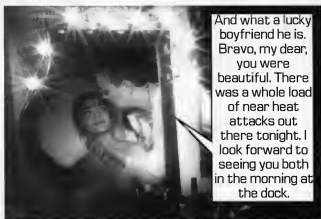

Would you two prefer me to leave you alone?

Don't be silly, my dear: I was just finishing some business with your boyfriend here.

Just remember he is **my** boyfriend.

And what a lucky boyfriend he is. Bravo, my dear, you were beautiful. There was a whole load of near heat attacks out there tonight. I look forward to seeing you both in the morning at the dock.

When Gorgona leaves Paula rushes to Carlos...

What does she mean that she will see us in the morning?

Jesus! I'll do anything for that kind of money. I know they'll want to fuck me, even Gorgona and that Baroness. But, hey, for \$10,000...!

They asked me if you would perform privately for their friends, those two they were sitting with. It's on the bosses' private island. It will be worth \$10,000 for you.

Good. Then in a day or two we will be rich!

Later on, Paula has
some second thoughts...

I don't want to charge for it. This makes me feel
dirty. Usually some guy will just give me a little gift
or take me on a trip. But for ten grand I'll satisfy
each and every one of them.

The following morning at the dock...

Ah, I see that
out guest of honor
has arrived.

She is beautiful.
Delicious.

What
wonderful skin.

The yacht sails for the island.

You've been
awfully cold since
we got here.

I don't want them
to think that there is
anything going on
between us.

This martini is almost perfect.

What?
Only "almost"?

Darling, a great chef such
as Paul Radek here only
finds perfection in what he
prepares himself.

Yes,
hah, ha.

Yes, but when it comes to cocktails I have very simple tastes,
I am afraid. But my good friend Orson Welles once told me that the
perfect martini was the one composed solely of gin and then you
only imagine the martini. My problem is that I often forget to
imagine the martini!

I don't like the
way they are
looking at us,
that Frenchy
and the poor
old slob... he's
trying too hard
to look like the
tough guy.

Look, that's their bag. As
long as they pay us, let's just
keep them happy.

That dirty little
creature, I can't wait to
enjoy her: Ah, it looks like
the island up ahead.

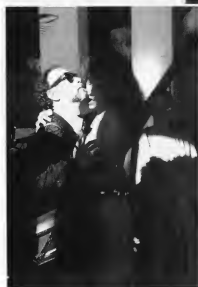

And the lovely creature here to greet us in our faithful servant Furia.

Wonderful to be home again, Furia.

I am Irina Kalman - the Baroness Von Ruhe. It's lovely to make your acquaintance... mmmm.

How delicious.
But how rude.
Why doesn't
she reply?

Furia does
not speak.

But only because she
chooses not to.

How curious!
Furia, this
is my
husband,
Herr Kalman,
a very
wealthy
financier.

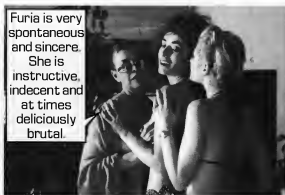

Huh?
What are
you doing?

And of course, this is
Paula, our very special
guest.

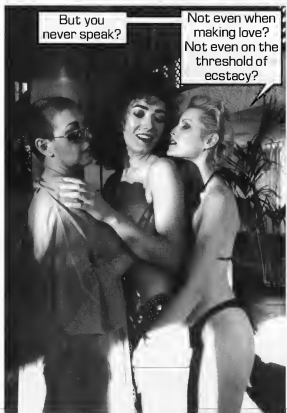

What a lovely and strange creature...

Furia is very spontaneous and sincere. She is instructive, indecent and at times deliciously brutal.

But you never speak?

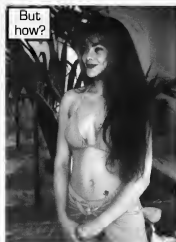

Not even when making love? Not even on the threshold of ecstasy?

Ahhh... fascinating.

Furia will show you to your rooms. Wash up and then we will have lunch in a couple of hours. Furia will call you.

But how?

Furia leads the guests to their rooms...

Continuing her special greeting for each...

Shortly afterwards...

Furia! Where are you?
Hurry! Toutes-suite!

You have obeyed me, bien sur? For 24 hours you have eaten just peppers, avacados, a papaya, two cloves of garlic, a green apple, a dozen oysters, and a liter of vin blanc from the Rhine, n'est-ce pas?

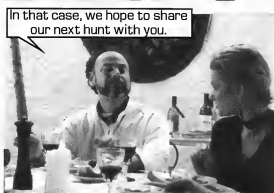

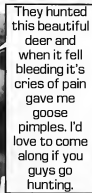

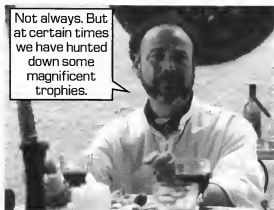

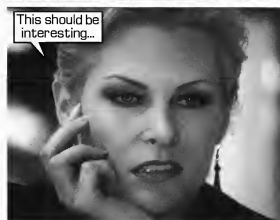

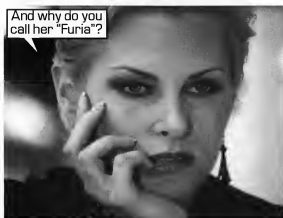

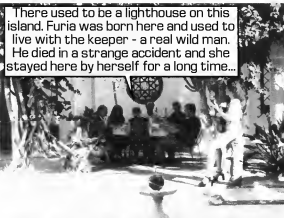

"God made the food. The devil made the cooks"
- James Joyce in "Ulysees".

"Salud!"

Paula darts under the table...

Ahhhh...

Who is next?

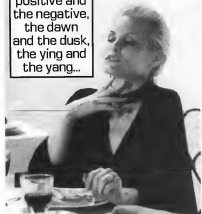

The Baroness awaits...

lap service.

Paula and Furia... the positive and the negative, the dawn and the dusk, the ying and the yang...

Moving on...

Furia spies her target...

Huh?

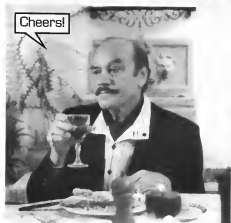

Aaaahhhh...

The rest of the revellers begin to revel...

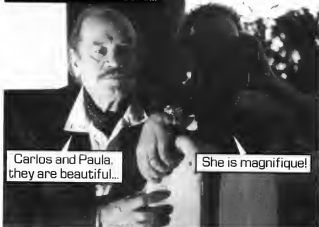

Cheers!

This party will go on all night...

As the sun heats up, the festivities move indoors...

Carlos and Paula, they are beautiful...

She is magnifique!

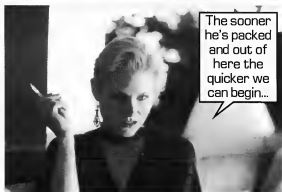

I've grown tired of this boy. Shouldn't he have left by now?

Carlos!
Carlos!
No! You must
leave. Now!

But why?

The sooner
he's packed
and out of
here the
quicker we
can begin...

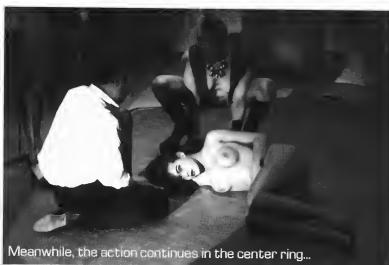

Within moments Carlos is heading to his boat to leave.

No. Wait...
Carlitos!
Carlitos...

For God's sake, you
can be such a snivelling
fag at times.

Suddenly trouble looms
over Paula's head...

Chef Radek records for
posterity...

WHAK!

SMACK!

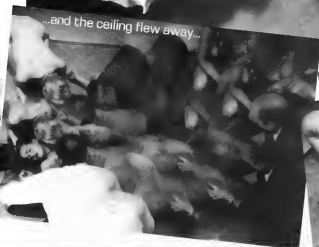

Auuugggh!!

WHAK!

She'll be ever
so tender
after this...

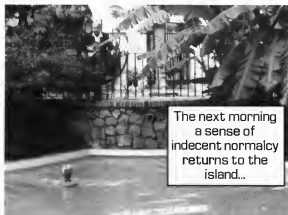

The onslaught of the whip continues

Eventually Paula passes out and from here her memory of the night ends...

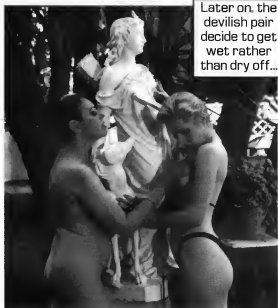

The next morning
a sense of
indecent normalcy
returns to the
island...

The Baroness takes a swim and is
serenaded by her doting husband...

Soon she is joined by
Gorgona under the
marble shado of
Diana, Goddess of
the Hunt...

Later on, the
devilish pair
decide to get
wet rather
than dry off...

Eventually the great chef
arrives on the scene...

Inside the house, Furia kneads special spices
into Paula's wounds and tenderly massages
her sumptuous body...

Ah, c'est bonne! A pinch of
rosemary and thyme...

Many hours later, Paula awakes alone in her room...

Looking in the mirror she is stunned to find no signs of the brutal whipping...

She begins to search for a sign of life in the huge, apparently vacant house...

Hello? Is anybody there?

A watchful eye lurks in the shadows...

Suddenly a television set roars to life...

The star of the show is Gorgonel!

Ladies and gentlemen, THE TREASURE HUNT is about to begin! If our contestant - Paula - reaches the speedboat on the other side of the island within two hours...

she will keep \$50,000!!

Furia embraces today's contestant...

What she's saying
is all true, right?

...but she will have to face a
thousand dangers to get there and
her time starts... **NOW!!!**

Paula starts down the steps and
pauses to plot her plan of approach...

But Furia decides to put Paula in the bag...

Hey!
Stop!
What
are you
doing!

Furia carries away her screaming prey...

Furia!
You bitch!
Stop.
Let me
go!

...and stuffs her into her awaiting truck...

On the other side of the island
dangerous plans are being made...

The bow will be
our primary
weapon

How
wonderfully
primitivel

I prefer to use this...
with explosive bullets.

No!

Listen to
Gorgona,
Kalman. There
is good reason.

Fine. But ever since we got
here, the women have
been the protagonists.

I thought
you'd like it
this way...

But just in
case... wear
this. The
natives call
it a 'catana'.
It can help
you defend
yourself in a
tight space.

Or you can
use it to go
in for the kill.

Hmmpph.
Women.

Enough.
Now go
take
your
places.

Back in his shabby room on the mainland,
Carlos begins to have second thoughts...

What have I done? I handed
this poor stupid girl on a silver
platter to those monsters!

Furia prepares to release the quarry...

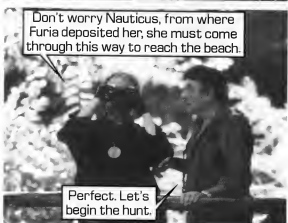

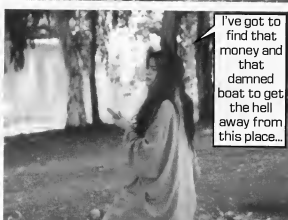

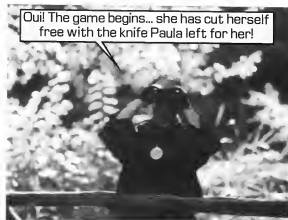

As the hunters wait for their prey...

Furia reaches her designated
clearing in the woods...

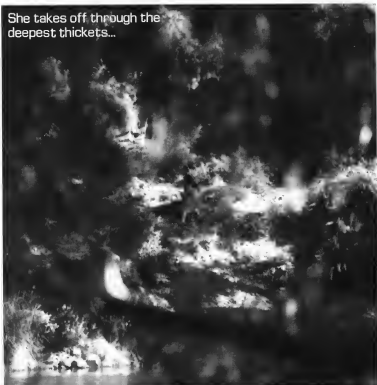

...and Paula is tossed
like a fox to the hounds...

She takes off through the
deepest thickets...

Suddenly another "joke"
falls into place...

Last man standing!

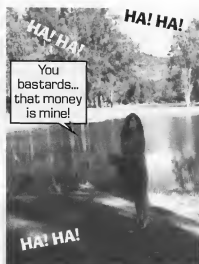

That's
supposed to
be funny? I'll
show you a
prick!

Her aim is true... and then...

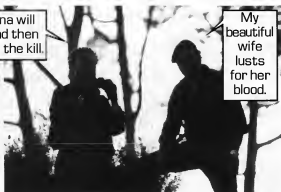

A run for the money...

Gorgonita and Irina will bring her down and then you and I will make the kill.

My beautiful wife lusts for her blood.

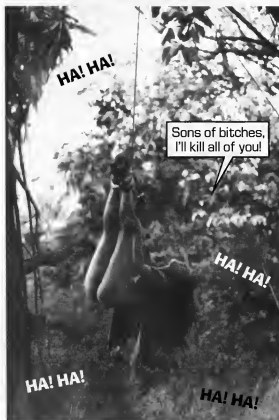

One false step...

And another trap is sprung.

BOING!

AAAY-AIEEEE!!!

HA! HA!

Sons of bitches, I'll kill all of you!

HA! HA!

HA! HA!

HA! HA!

She's in the trap
and in our range...

Paula cuts herself down.

Is the calvary
returning?

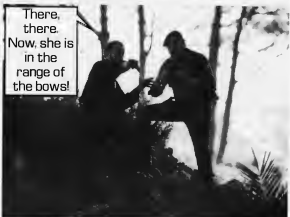

Paula is back on the run...

But on the road to nowhere...

There,
there.
Now, she is
in the
range of
the bows!

Can we go in now?

Feeling the sting of the arrow, it finally dawns on her that this game is for real...

SNAP!

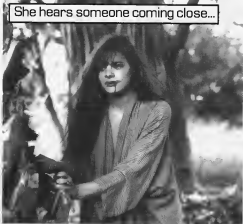

Murderers on the move.

Slowly, Paula realizes that she must defend herself.

She hears someone coming close...

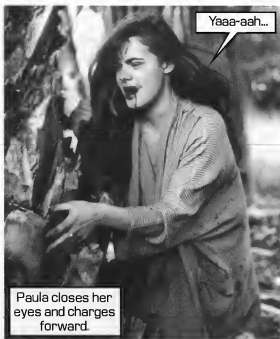

It's now or never.

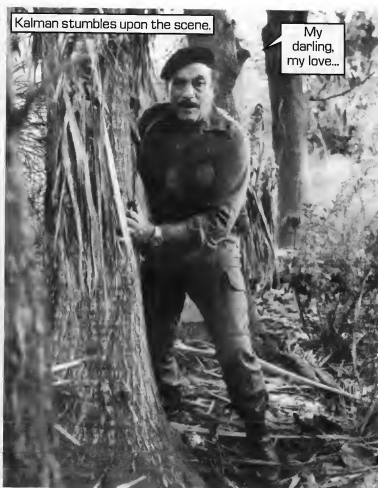

It's the Baroness bearing her bow.

You
fucking
bitch!

Kalman stumbles upon the scene.

My
darling,
my love...

Carlos prepares to
enter the fray.

This one
is for
you, my
dear Irina.

CLICK!

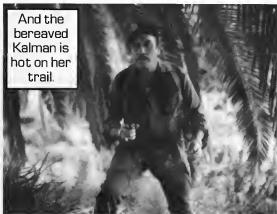

Carlos hears the shouting in the woods.

The wounded Paula prepares to run.

And the bereaved Kalman is hot on her trail.

Move silently, little rabbit.

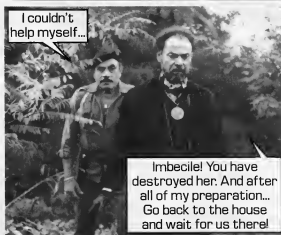

I hear her.
There she is.

Carlos spies the chase.

Paula takes the mandatory trip...

But he does not go unnoticed...

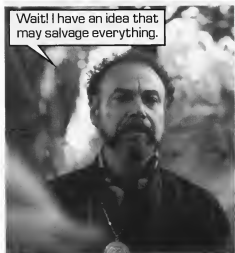

Gorgona observes the damage already done...

Dear Lord...
we're really
sticking it to
you this time,
sending you
these two
bitches at
once!!

Wait! I have an idea that
may salvage everything.

Meanwhile, Carlos has reached the
speedboat and has discovered the money.

Holy shit!
I'm rich!

But Furia
prepares to
pounce...

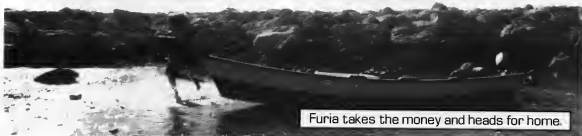

Carlos attempts to make his getaway but Furia is upon him with the speed of a leopard.

Men.

BLAM!

Furia takes the money and heads for home.

Where she meets her thankful mistress...

My beautiful
little 'fury'...

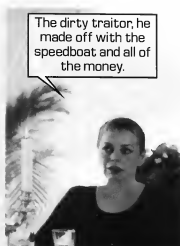

Come, everybody, I have a very
special dinner to prepare.

That evening...

Madame et
monsieur,
dinner is
served!

THE MOVIE!
YOU HAVE READ THE COMIC NOW
SEE THE MOVIE IN ITS ENTIRETY!

WARNING!

The PHOTO COMIC of **TENDER FLESH** does not show the intensity detailed in the actual movie. Many scenes that were just hinted at in the PHOTO COMIC are brought to full climax in all their glory - contents of which were just **TOO SEXUAL** and **TOO BIZARRE** to be displayed in this PHOTO COMIC. This movie is not to be sold to anyone under 18 years of age!

LEGENDARY EUROPEAN DIRECTOR JESS FRANCO CREATES A TABLEAU OF EROTIC SUSPENSE QUITE UNLIKE ANYTHING EXISTING IN MODERN AMERICAN CINEMA. THE AUTEUR WITH OVER 160 FILMS UNDER HIS BELT SINCE 1958 IS BEST KNOWN FOR HIS CINEMATIC SHOCKERS SUCH AS **THE AWFUL DR. ORLOFF** (1961), **COUNT DRACULA** (1969), AND **FACELESS** (1988).

WITH **TENDER FLESH** FRANCO RETURNS TO HIS ROOTS, DEEPLY INGRAINED WITH A PENCHANT FOR PERIL, A SPIRIT OF SEXUALITY, AND THE CUNNING ABILITY TO STARTLE EVEN THE MOST JADED OF VIEWERS.

STARRING THE INCOMPARABLE SPANISH TEMPTRESS LINA ROMAY, THE BEAUTIFUL AND TALENTED MONIQUE PARENT AND THE SEXY AMBER NEWMAN, **TENDER FLESH** IS AN ADULT ORIENTED TALE WHICH BLAZES ITS OWN TRAIL AWAY FROM THE HUMDRUM AND OUTMODED EROTIC THRILLERS WHICH HAVE BECOME SO MUCH PAP AND WEARILY PREDICTABLE. INITIATING A GENRE ALL ITS OWN: **TENDER FLESH** BEGINS FAR BEYOND WHERE THE EROTIC THRILLERS LEAVE OFF AND NEVER LOOKS BACK EVEN AS IT CLIMAXES WITH ITS DELICIOUSLY DEVILISH TWIST OF FATE.
